

Welcome to Season 2025 / 2026 of Blasters at the Shoalwater Bay Cricket Club.

1. This season we start our Blasters Sessions at Shoalwater Oval on Fourth Avenue in Shoalwater due to our new clubrooms being built at Stan Twight Reserve on Hennessey Way in Rockingham. If the opportunity presents we will do some sessions at Stan Twight but this will be subject to completion of the building and safety of everyone who comes to Blasters.
2. Our Aim is to make the Blasters session as fun and engaging as possible. Parental / Guardian involvement is very much encouraged and there are positions for everyone to get involved and increase your cricket knowledge. From experience the kids love seeing you get involved and it makes the sessions fun and enjoyable. We cater for kids who are being introduced to cricket for the first time up to children who will be in structured Year 4 cricket next season.
3. Session times will be from 5pm to 6pm on Friday afternoons. Below you will find a session schedule and if there are any variations I will let everyone know in the chat page. We will keep the cricket gear out for any kids who might want to play a bit more.
4. After each session we put on either a sausage sizzle, party pies, sausage rolls, hot dogs or a combination of all. If you have specific food requirements please let me know. I understand it's a bit day for the kids and at times they won't feel like getting involved with every activity but that is okay.
5. Christmas windup will be on the 28th of November. Early December can be a hectic time with school, other windups and events taking place.
6. Beach cricket sessions in February will be on Rockingham Foreshore near the Oberon Class submarine fin on the corner of Rockingham Beach Road and Weld Street in Rockingham
7. Parents / guardians with Kidsport vouchers can you contact the Shoalwater Bay Cricket Club Treasurer at Treasurer@shoalwaterbaycricket.com.au as soon as you get them so they can be actioned and approved.
8. We use messenger chat group to send out information. If you are not part of the messenger group at the moment you can add me as a contact on Facebook and I will add you to the group. My profile is below.

Alternatively you can be added to the group at the first session on the 17th of October

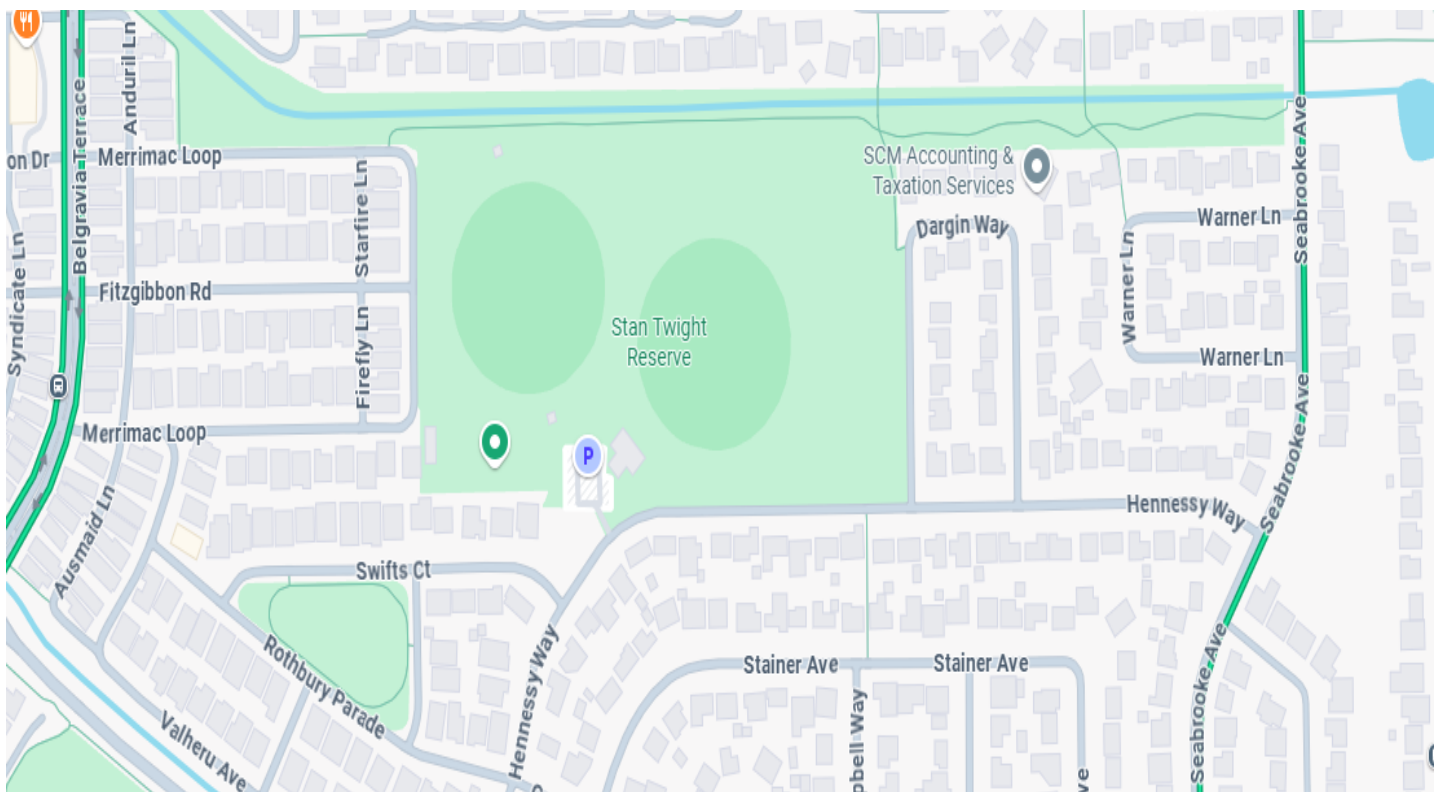

If anything changes between now and the first session I will contact you directly to let you know if you are not in the chat group

9. If you have any further questions please let me know on 0410455701 or email blasters.shoalwaterbaycc@gmail.com

Shoalwater Bay Oval – Fourth Avenue Shoalwater

Stan Twight Reserve – Hennessey Way Rockingham

Carpark to meet up for beach cricket – Corner Rockingham Beach Road and Weld Street Rockingham.

Looks for the black submarine fin near the car park.
